

GEOLOGICAL ENGINEERING, DOCTORAL MINOR

REQUIREMENTS

REQUIREMENTS

Students must complete the following requirements to earn a doctoral minor:

1. Complete at least 9 credits in courses numbered 300 or above in Geological Engineering (G L E (http://guide.wisc.edu/courses/g_le/)).
 - a. Independent study and research courses may not satisfy requirements.
2. One of the courses must be numbered 600 or above in Geological Engineering (G L E (http://guide.wisc.edu/courses/g_le/)).
3. Only one of the courses may be cross listed in the student's major department and cannot be used to satisfy the student's major requirements.

No examinations are required other than those given in each course.
