

ECONOMICS: GRADUATE FOUNDATIONS, MS

This is a named option within the Economics MS. (<http://guide.wisc.edu/graduate/economics/economics-ms/#text>) The Economics Master of Science–Graduate Foundations (MS–GF) program offers a terminal graduate degree that prepares students for high-level professional careers in government and industry or further study for the PhD degree. The MS–GF program emphasizes econometric training more than similar programs at other universities. Today's job market and PhD programs in economics require strong quantitative skills along with a command of microeconomic and macroeconomic theory. Wisconsin's tradition of supporting economic theory with quantitative methods is well suited to these requirements.
