GRADUATE SCHOOL RESOURCES

Further funding information (<https://grad.wisc.edu/funding/>) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

While the department funds full-time PhD students we are unable to provide funding for Master's students. In consultation with one's advisor, students are encouraged to seek positions in other areas that are related to their own research and professional interests. The University student job center posts some opportunities. The department also forwards job postings from other areas on campus to department students.
