

ELECTRICAL AND COMPUTER ENGINEERING: MACHINE LEARNING AND SIGNAL PROCESSING, MS

FUNDING

FUNDING

GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (<https://grad.wisc.edu/funding/>) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

Students enrolled in this program are not eligible to receive tuition remission from graduate assistantship appointments at this institution.

Tuition Scholarships for Accelerated MS Programs

The Department of Electrical and Computer Engineering offers a limited number of scholarships for highly qualified students that are accepted to the department's accelerated MS programs. The scholarships are merit-based and awarded during the admission period.

Eligibility Requirements

- Must enroll in one of the Department's two named options programs:
 - Electrical and Computer Engineering: Machine Learning and Signal Processing
 - Electrical and Computer Engineering: Professional

Scholarship Amounts

- The amount of the scholarship is indicated when the student is notified of the award.

Additional Information

- Students who meet the above criteria are automatically eligible for this scholarship. No formal application by the student is necessary.
- Students will be notified of scholarship award after acceptance to the program.

Federal Loans

Students who are U.S. citizens or permanent residents may be eligible to receive some level of funding through the federal direct loan program. These loans are available to qualified graduate students who are taking at least 4 credits during the fall and spring semesters, and 2 credits during summer. Private loans are also available. Learn more about financial aid at this website (<https://financialaid.wisc.edu/>).

International Student Services Funding and Scholarships
