GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

Students in the ECE MS-Research program are eligible for assistantships from ECE and other departments.

Research Assistantships (RA)

Students should contact professors in their area of interest. Professors decide whom they will appoint on their research grants.

Teaching Assistantships (TA) and Grader Positions

Current graduate students may apply for teaching assistantships or hourly grader positions via the ECE TA/Grader Portal (https://apps.aims.wisc.edu/tagrader/default.aspx) (must have a NetID to access). If you are interested in applying for TA or grader position in a department other than ECE, please contact the respective department to ask about their own application process. Students currently holding a research assistant or fellowship position that are interested in teaching assistant positions should discuss options with their research advisor(s) before applying.

International students who are non-native English speakers are required to pass the SPEAK Test (https://esl.wisc.edu/ita-training/speak/) through the English as a Second Language Program on campus. Students wishing to take the SPEAK Test should contact the ECE TA Coordinator via e-mail to register for the exam.

Project Assistantships (PA)

There are project assistant opportunities on campus for various purposes and departments and offices. Often announcements of openings are posted on TA/PA bulletin boards in Engineering Hall and on the UW Job Center webpage (http://www.jobcenter.wisc.edu/). You may also contact individual faculty members to inquire about possible opportunities.

Fellowships

Information concerning fellowships is sent to graduate students via email from the department, faculty, and/or the Graduate School.
