

ENGINEERING: ENGINE SYSTEMS, M.ENG.

ADMISSIONS

Please consult the table below for key information about this degree program's admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program's website.

Graduate admissions is a two-step process between academic programs and the Graduate School. **Applicants must meet** the minimum requirements (<https://grad.wisc.edu/apply/requirements/>) **of the Graduate School as well as the program(s)**. Once you have researched the graduate program(s) you are interested in, apply online (<https://grad.wisc.edu/apply/>).

Requirements	Detail
Fall Deadline	August 15*
Spring Deadline	December 15*
Summer Deadline	May 15*
GRE (Graduate Record Examinations)	Not required but may be considered if available.**
English Proficiency Test	Every applicant whose native language is not English or whose undergraduate instruction was not in English must provide an English proficiency test score and meet the Graduate School minimum requirements (https://grad.wisc.edu/apply/requirements/#english-proficiency).
Other Test(s) (e.g., GMAT, MCAT)	n/a
Letters of Recommendation Required	1

*

Applications are accepted after this date on a rolling admission basis for fall, spring, and summer terms.

**

Applicants are recommended to submit GRE scores if they have already taken the exam.

This 30-credit program can be completed in as little as 2.5 years.

Admission requirements for engineers interested in applying are:

- A B.S. degree in mechanical engineering or similar degree from an ABET-accredited program. Please contact Program Director to discuss your specific background.
- Students without the required mechanical engineering background may still be eligible for the program upon the successful completion of courses offered during the summer semester (starts early June).
- A minimum undergraduate grade point average (GPA) of 3.00 on the equivalent of the last 60 semester hours (approximately two years of work). Special cases may be considered, please discuss with Program

Director. Students may still be eligible for the program upon the successful completion of courses offered during the summer semester (starts early June).
