GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (<https://grad.wisc.edu/funding/>) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

MA students receive two years of funding through a combination of fellowships, teaching assistantships, and project assistantships. Most ITS students are funded through teaching assistantships in various courses, including ENGL/Theatre 120: Introduction to Theatre and Dramatic Literature. These appointments provide opportunities for students to develop their own teaching styles and skills.
