## CAPSTONE CERTIFICATES

### CAPSTONE CERTIFICATES

Capstone certificates allow individuals with a bachelor's degree to obtain additional professional skills and certification. Capstones do not lead to the conferral of a degree but do appear on a student's UW-Madison transcript.

Graduate students are not eligible to enroll in capstone certificates.

Capstone certificate students are admitted as University Special students through Adult Career and Special Student Services (<https://acsess.wisc.edu/>) (ACSSS). Adult Career and Special Student Services as the academic dean is responsible for issues related to student enrollment and the student's official record.

An Adult Career and Special Student Services student services coordinator works with each department's capstone certificate coordinator on advising, admissions, enrollment eligibility, and program completion. Capstone certificates typically follow the rules of the Graduate School (<https://grad.wisc.edu/acadpolicy/>) (<https://grad.wisc.edu/acadpolicy/#enrollmentrequirements>) for tuition, credit limits, and grading.

### INTERNATIONAL STUDENTS

The availability of a capstone certificate program to an international student varies as follows:

- The 100% online programs are available to international students who remain abroad.
- Students already in the U.S. on another visa type (e.g. J-1 scholar, J-2 dependent, H1B) may be eligible for admission to any of the capstone certificate programs.
- Full-time programs on the university campus require international students to hold an F-1 or J-1 visa to study legally in the United States.
