POLICIES AND REQUIREMENTS

POLICIES AND REQUIREMENTS

The Graduate School sets minimum standards that must be met by all graduate students in the university. Continuation in the Graduate School is at the discretion of the major program and the Graduate School.

Program requirements can exceed the Graduate School minimum criteria. Additional requirements are described in each program's Requirements tab on its *Guide* page. Students are responsible for reviewing *Guide* and obtaining specific program requirements from the program. Many programs publish a graduate student handbook, which provides more details about graduate study and other policies and processes.
