

INTEGRATIVE BIOLOGY, DOCTORAL MINOR

ADMISSIONS

ADMISSIONS

Graduate students who wish to pursue a doctoral minor in integrative biology should consult a faculty member within the Department of Integrative Biology (their potential minor professor) or the chair of the integrative biology graduate committee.

All Graduate School students must utilize the Graduate Student Portal in MyUW to add, change, or discontinue any doctoral minor. To apply to this minor, log in to MyUW, click on Graduate Student Portal, and then click on Add/Change Programs. Select the information for the doctoral minor for which you are applying.

REQUIREMENTS

REQUIREMENTS

Students must complete at least 9 credits in ZOOLOGY (<http://guide.wisc.edu/courses/zoology/>) while in residence. Courses are selected in consultation with the minor and departmental advisor. Requirements include:

- Complete one seminar course.
- Courses must be graduate-level (numbered 300 and above with the Grad 50% attribute)
- ZOOLOGY 698 Directed Study and ZOOLOGY 699 Directed Studies in Zoology do not satisfy doctoral minor requirements.
