

ENTREPRENEURSHIP, GRADUATE/ PROFESSIONAL CERTIFICATE

The graduate/professional certificate in entrepreneurship seeks to provide entrepreneurial knowledge and skills to students who desire to launch a new organization, work more effectively in startup situations, or explore and better understand the factors that affect company formation and performance. The certificate is available to all UW–Madison graduate degree-seeking students (excluding University Special students).

A student who has completed this certificate will have good foundational skills in recognizing promising opportunities and building a new organization or venture to create social/economic value.

Interested students should see the Certificate in Entrepreneurship website (<https://business.wisc.edu/graduate/certificates/entrepreneurship/>) for specific information regarding declaring or withdrawing, or upon completion of the certificate. The Management and Human Resources Department will have the certificate noted on students' official university transcripts by the Office of the Registrar.
