

TEACHING AND LEARNING IN HEALTHCARE PROFESSIONS, GRADUATE/ PROFESSIONAL CERTIFICATE

Those who complete the certificate are recognized for their specialized skills, knowledge, and abilities in the nurse educator role. The certification of nurse educators provides a means for faculty members to demonstrate their expertise in the science of nursing education. Obtaining the certificate signifies a commitment to professional development and to continuously improve the methods of teaching needed in the field of nursing.

Students who complete the certificate are eligible to sit for the National League for Nursing (NLN) Certified Nurse Educator Examination. NLN recognizes the nurse educator role as a specialty area of practice.

This program offers two pathways:

1. Nurse Educator Certificate Program for students currently enrolled in a nursing doctoral program (DNP (<https://guide.wisc.edu/graduate/nursing-school-wide/nursing-practice-dnp/>) or PhD (<https://guide.wisc.edu/graduate/nursing-school-wide/nursing-phd/>))
2. Nurse Educator Capstone Certificate Program for master's- or doctoral-prepared nurses who are not currently enrolled in a nursing doctoral program
