

SOCIAL WORK, MSW

CERTIFICATION/LICENSURE

CERTIFICATION/LICENSURE

In the state of Wisconsin people with a Master of Social Work (MSW) are able to pursue certification and/or licensure. While certification/licensure is not a requirement for certain types of jobs, it is required for any positions titled 'Social Worker' and to refer to yourself as a Social Worker in professional settings. Information on applying for social work certification and licensure is provided in great detail on the School of Social Work's Professional Social Work Credentials & Continuing Education (<https://socwork.wisc.edu/students/credentials/>) page. Contact the social work academic advisors in the Full- or Part-Time Programs (see contact information on the program website (<https://socwork.wisc.edu/students/advising/>)) for a complete list of requirements necessary for these credentials.
