## POLICIES

### GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (<https://grad.wisc.edu/acadpolicy/>) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

### MAJOR-SPECIFIC POLICIES

#### PRIOR COURSEWORK

##### Graduate Credits Earned at Other Institutions

Master's students are not allowed to transfer in graduate credits from other institutions.

##### Undergraduate Credits Earned at Other Institutions or UW-Madison

No credits from undergraduate courses from a UW-Madison undergraduate degree are allowed to transfer toward the degree. With advisor consent, students who have taken graduate level courses are allowed to petition up to 7 credits.

##### Credits Earned as a Professional Student at UW-Madison (Law, Medicine, Pharmacy, and Veterinary careers)

Refer to the Graduate School: Transfer Credits for Prior Coursework (<https://policy.wisc.edu/library/UW-1216/>) policy.

##### Credits Earned as a University Special Student at UW-Madison

With program approval, students are allowed to transfer no more than 6 credits of coursework numbered 300 or above taken as a University Special student. However, these credits are not allowed to count toward the 50% graduate coursework minimum unless numbered 700 or above or are taken to meet the requirements of a capstone certificate and has the "Grad 50%" attribute. Coursework earned ten or more years prior to admission to a master's degree is not allowed to satisfy requirements.

### PROBATION

Satisfactory progress depends on the following:

1. Maintaining a GPA of at least 3.0, adhering to the rule whereby students must take two courses within the department (or have the rule waived by petition); and
2. Fulfilling all academic requirements.

Students who are not in good standing will not be given sections to teach as Teaching Assistants, and those whose GPA goes below 3.0 are put on academic probation. If a semester of 3.0 is not attained during the subsequent semester, the student may be dismissed from the program.

All graduate students who are candidates for an MA degree in this department must take a minimum of two graduate-level courses in

Spanish and/or Portuguese for credit each semester, exclusive of Independent Reading courses and audited courses. A student who is not in compliance with this requirement is not making good progress toward the degree, and will therefore be deemed not in good academic standing. Advisors should be aware that only the departmental committee, on the favorable recommendation of the Graduate Studies Committee, may grant exemptions.

### ADVISOR / COMMITTEE

Each candidate will confer with the general advisor. The student and the advisor will plan a program that takes into account the candidate's interests, strengths and deficiencies. If, for example, the student has a strong undergraduate background in a particular period of literature, the advisor will not recommend further exposure to the same field. Likewise, a student with extensive experience abroad and/or undergraduate preparation in composition or conversation may not need further study in these areas.

All students must have a substantial meeting with their advisors every semester to review their progress and work out the best strategies for future coursework and degree progress.

### CREDITS PER TERM ALLOWED

15 credits

### TIME LIMITS

The MA portfolio is submitted in the fourth or fifth semester of the program, very rarely beyond that.

Refer to the Graduate School: Time Limits (<https://policy.wisc.edu/library/UW-1221/>) policy.
