

# NONDEGREE/VISITING STUDENT GUIDE

## POLICIES AND REGULATIONS

### POLICIES AND REGULATIONS

#### ENROLLMENT POLICIES

Enrollment times assigned to University Special students depend on the classification. For fall and spring terms, it ranges from the first day of class to four weeks before the term begins. For summer term, a date in April (for most Special students) or May (Guest students) is assigned.

In order to enroll in a course, students – including University Special students – must meet course requisites and requirements which are listed in the courses section (<https://guide.wisc.edu/courses/>) of the *Guide*. Courses taken at other colleges and universities will not be part of the UW–Madison record. Students should confer with a department or course instructor to confirm a prerequisite has been met.

#### CREDIT LOAD

University Special students are permitted to carry up to 18 credits in the fall and spring terms unless other limitations have been specified by their classification, advisors, or program. Summer term course loads are limited to one credit per week of session (3 credits in a 3-week session, 4 credits in a 4-week session, etc.) with the exception of the eight-week general session which allows for 9 credits over the 8-week period.

#### GRADING

Grades for each course are reported on the official UW–Madison transcript. The GPA is posted on a term-by-term basis and affects academic eligibility to continue in another term. While in University Special student status, a cumulative GPA is not calculated or displayed on the official UW–Madison student record. However, if a student becomes an undergraduate degree student earning a first UW–Madison undergraduate degree, then any grades and credits earned as a University Special student will transfer in and be calculated in the final undergraduate degree GPA. Grades earned as a Special student will not change a previous cumulative undergraduate or graduate degree GPA earned at UW–Madison, including if a course is repeated.

A 2.0 minimum GPA is required of University Special students in order to continue in future terms. (Capstone Certificate program students have a higher GPA requirement.) Any University Special student who does not achieve the minimum grade point requirement will automatically receive a "must obtain permission to continue" action on the student record and will be prevented from enrolling in future terms. Such students should contact an ACSSS advisor or the academic dean (<https://acsss.wisc.edu/contact/>) regarding the policy and eligibility to continue in the future.

#### GRADES OF INCOMPLETE

Under limited circumstances a grade of Incomplete (I) (<https://registrar.wisc.edu/student-grades/>) may be reported for a student. An incomplete is used when a student, due to an illness or other substantial cause, is unable to take the final examination or complete some portion of course requirements. To be eligible, the student must be earning a passing grades and have a limited amount of work to complete for the course. To

avoid lapse to an F or N, work for incomplete grades must be complete and grades updated as such:

- Incomplete grades assigned in spring or summer terms must be updated on the student record by the Friday of the eighth week of the following fall term
- Incomplete grades assigned in fall term must be updated on the student record by the Friday of the eighth week of the following spring term

#### PASS/FAIL OPTION

University Special students (excluding Capstone Certificate program students) may elect to take courses under the pass/fail option following university procedure. However, because degree-seeking students are not allowed to use P/F courses to satisfy degree requirements (and Capstone Certificate students can not use P/F courses to satisfy certificate requirements), Special students who intend to be degree-seeking should be advised to keep potential degree requirement courses on a graded basis. UNIS/Exchange students are limited to one P/F course per term.

A grade of S shall be recorded by the registrar in place of instructors' grades of A, AB, B, BC, C; the grade of U shall be recorded by the registrar in place of instructors' grades of D or F. The deadline and process for requesting pass/fail grading is posted on the Office of the Registrar's website (<https://registrar.wisc.edu/>).

#### AUDITING COURSES

There are two ways to audit a course within the University Special student status.

Changing from credit to audit: This follows the process available to degree students. A student enrolls in a course for credit and then uses the Course Change Request in the enrollment system to change to audit. The student confirms with the instructor the attendance and required work to earn a grade of S (Satisfactory). The tuition assessment is at the credit level.

Admission in a Guest auditor classification: This option is available only to University Special students who are admitted in one of two classifications: Guest auditor or Senior Guest auditor if age 60 or older. Per policy of the UW Board of Regents, Guest auditors may enroll in courses on an audit-only basis and pay reduced or no tuition. Permission from the instructor is required prior to enrolling in a course. Audit credit is *automatically assigned*. Guest auditors do not pay student segregated fees and have access limited to libraries and computer labs. See ACSSS for further detail (<https://acsss.wisc.edu/special-student-types/>).

#### TUITION AND FEES

The tuition rate and any fee assessment varies with the number of credits a student is enrolled in, the classification of University Special student, and residency status (Wisconsin, Nonresident, Minnesota, or International). Many classifications pay at the undergraduate student rate which may be viewed on the Bursar's Office webpage (<https://bursar.wisc.edu/tuition-and-fees/tuition-rates/>). Capstone Certificate programs should consult with the program coordinator for current tuition rates which are similar to the graduate student rate.

Most University Special students pay the student segregated fees which provide full access to all university services, including campus libraries, computer labs, Metro bus passes, recreational facilities, and University Health Service. If a student is in a classification or program that does not assess student segregated fees, then access is limited to the libraries and computer labs.

## STUDENT PRIVACY RIGHTS

The university has adopted a policy statement implementing all provisions of the Family Educational Rights and Privacy Act (FERPA) which is available at the Office of the Registrar (<https://registrar.wisc.edu/ferpa/>). FERPA rights apply to anyone who is currently or was ever enrolled in classes at and attended UW–Madison, including Special students. FERPA does not apply to applicants.

The university, in accordance with FERPA, designated specific information as directory information, which is publicly available unless a student asks to have any or all of it withheld. Students with questions about the provisions of the act or who believe the university is not complying with the act may obtain assistance from the Office of the Registrar.

## AVAILABILITY OF ACADEMIC RECORD INFORMATION TO OTHERS

A student may authorize a third party (e.g., a parent, guardian, spouse, potential employer, etc.) access to academic record information. An authorization form is available on the Office of the Registrar (<https://registrar.wisc.edu/ferpa/>)’s website. It permits release of specified information on a one-time basis to the specified third party. If no authorization is on file, it is assumed that the student does not give a third party access to academic record information. This policy is designed to give students specific control over the parties to whom academic record information may be released. Grade reports will not be sent by the university to parents or guardians.

## ACADEMIC INTEGRITY

UW–Madison students have the obligation to conduct their academic work in a manner consistent with high standards of academic integrity. They also have the right to expect that all students will be graded fairly, and they have the rights of due process should they be accused of academic misconduct. Students should become familiar with the rules of academic misconduct (UWS Ch. 14) and consult with their instructors if they have concerns about possibly observing misconduct or whether something is acceptable. For complete discussion of the rules regarding academic integrity, see the Office of Student Conduct and Community Standards (<https://conduct.students.wisc.edu/>).

## STUDENT RIGHTS AND RESPONSIBILITIES

Every member of the University of Wisconsin–Madison community has the right to expect to conduct his or her academic and social life in an environment free from threats, danger, or harassment. Students also have the responsibility to conduct themselves in a manner compatible with membership in the university and local communities. UWS Chapters 17 and 18 of the Wisconsin Administrative Code list the university policies students are expected to uphold and describe the procedures used when students are accused of misconduct. View the complete text of UWS Chapter 17 ([https://docs.legis.wisconsin.gov/code/admin\\_code/uws/17/](https://docs.legis.wisconsin.gov/code/admin_code/uws/17/)), or contact the Office of Student Conduct and Community Standards, 608-263-5701 or [conduct@studentaffairs.wisc.edu](mailto:conduct@studentaffairs.wisc.edu).

No student may be denied admission to, participation in or the benefits of, or discriminated against in any service, program, course, or facility of the UW system or its institutions or centers because of the student’s race, color, creed, religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status, or parental status.

## STUDENT GRIEVANCE PROCEDURE

Any student at UW–Madison who feels that he or she has been treated unfairly has the right to voice a complaint and receive a prompt hearing

of the grievance. The basis for a grievance can range from something as subtle as miscommunication to the extreme of harassment. For assistance in determining options, students can contact the Office of Student Assistance and Support (<https://osas.wisc.edu/>).
