SCHOLARSHIPS

The Department of Agricultural and Applied Economics offers a number of scholarships to students declared in both of our majors, Agricultural & Applied Economics (<http://guide.wisc.edu/undergraduate/agricultural-life-sciences/agricultural-applied-economics/agricultural-applied-economics-bs/>) and Agricultural Business Management (<http://guide.wisc.edu/undergraduate/agricultural-life-sciences/agricultural-applied-economics/agricultural-business-management-bs/>). All of our students are encouraged to apply each year for department and CALS scholarships through the Wisconsin Scholarship Hub (WiSH). Students in either of our majors or who have declared the Certificate in Business Management for Agricultural & Life Sciences (<http://guide.wisc.edu/undergraduate/agricultural-life-sciences/agricultural-applied-economics/business-management-agricultural-life-sciences-certificate/>) are also eligible to apply for the Renk Scholarship Program (<https://renk.aae.wisc.edu/renk-scholarship/>), which can provide scholarships for up to three years. The Renk Scholarship Program is part of the Renk Agribusiness Institute (<https://renk.aae.wisc.edu/>) and emphasizes leadership in contemporary agricultural issues and activities linked to agribusiness.

RESOURCES

There are a number of student organizations of interest to students in our majors. For more information, please visit the CALS Student Organization (<https://cals.wisc.edu/academics/undergraduate-students/outside-the-classroom/student-organizations/#association-of-women-in-agriculture>) website.
