

ELEMENTARY EDUCATION: KINDERGARTEN – 9TH GRADE

REQUIREMENTS

REQUIREMENTS

The core program in Elementary Education requires 60 credits of professional coursework in addition to other degree requirements. Students are certified to teach kindergarten through grade 9 (K-9) and can also teach at the 4K level.

The option coursework listed here is one component of the Elementary Education, BSE degree (<https://guide.wisc.edu/undergraduate/education/curriculum-instruction/elementary-education-bse/#requirementstext>) requirements.

PROFESSIONAL SEQUENCE

The professional coursework was designed to be completed in four semesters, starting in the fall after admission to the program. Each semester of the sequence must be followed sequentially and taken in consecutive semesters unless a modification is approved. Most classes must be taken during specified semesters, while the scheduling of other requirements is more flexible; some may be completed prior to beginning the sequence.

CONTENT AREA MINOR (OPTIONAL REQUIREMENT)

Students may elect to complete a minor in one of the following content areas. Minors provide a depth of study in a particular area of interest and also inform classroom instruction. Upon completion, the minor will be posted on the UW-Madison transcript, **but students will not receive an additional certification in the subject area.** The Wisconsin Department of Public Instruction no longer offers content licenses in association with the K-9 educator license.

The completion of a minor is required to teach middle school licensing in some states and may benefit students particularly interested in teaching at this level. Choose from the links below for more details about the requirements of each minor.

ADDITIONAL CERTIFICATION OPTIONS IN ELEMENTARY EDUCATION

Students interested in Early Childhood Education (birth-Grade 3) and/or English as a Second Language (grades K-12) may earn certification in these areas along with the completion of the K-9 program. It is also possible to combine K-9 Elementary Education with K-12 Special Education certification through the completion of this named option (<http://guide.wisc.edu/undergraduate/education/curriculum-instruction/elementary-education-bse/elementary-education-kindergarten-9th-grade-special-education-kindergarten-12th-grade-dual-certification-bse/>).

The Early Childhood Education (ECE) certification minor (<http://guide.wisc.edu/undergraduate/education/curriculum-instruction/>)

early-childhood-education-minor/) requires an additional 6 credits of required coursework, CURRIC 660 Foundations of Early Childhood Education, CURRIC 663 Learning Environments for Initial Education Programs, and only 3 credits of K-9 electives for a total of 63 credits. The K-9 professional sequence listed above will be modified to accommodate the ECE minor; see the ECE/K-9 Four Year Plan (p.) for this sequence.

The English as a Second Language (ESL) certification minor (<http://guide.wisc.edu/undergraduate/education/curriculum-instruction/english-second-language-minor/>) requires an additional 9 credits of required coursework, CURRIC 311 Language Acquisition for Multilingual Learners, CURRIC 338 Linguistics for Teachers, CURRIC 316 ESL/Bilingual Methods, and only 3 credits of K-9 electives for a total of 66 credits. The K-9 professional sequence listed above will be modified to accommodate the ESL minor; see the ESL/K-9 Four Year Plan (p.) for this sequence.

Certification in both Early Childhood Education and English as a Second Language requires the completion of the five additional required ECE and ESL courses listed above. These courses will fulfill the entire K-9 electives requirement for a total of 69 credits. The K-9 professional sequence listed above will be modified to accommodate both minors; see the ECE/ESL/K-9 Four Year Plan (p.) for this sequence.

Certification in both K-9 Elementary Education and K-12 Special Education requires the completion of the Kindergarten – 9th Grade/ Special Education Kindergarten – 12th Grade Dual Certification named option (<http://guide.wisc.edu/undergraduate/education/curriculum-instruction/elementary-education-bse/elementary-education-kindergarten-9th-grade-special-education-kindergarten-12th-grade-dual-certification-bse/>); 70 credits are required.
