HOW TO GET IN

HOW TO GET IN

All current UW-Madison undergraduates and University Special Students are eligible to complete the Certificate in Education and Educational Services (EES).

Students intending to pursue the Education and Educational Services Certificate should visit the School of Education's Certificate Programs (<https://education.wisc.edu/academics/certificates/>) page to complete the declaration form. The declaration for this certificate program can be submitted at any time during the calendar year.

Please note: Students completing a course of study designed to lead to teacher certification are not eligible to complete the EES certificate. This also includes School of Education degree students pursuing the education studies or communication sciences and disorders majors. Other students completing a major within the School of Education are limited to 6 credits of overlap between their major and the certificate; that is, no more than 6 credits of coursework used to satisfy requirements for a major within the School of Education may also be counted toward completion of the EES certificate.
