

# THEATRE AND DRAMA: ACTING

## FOUR-YEAR PLAN

### Theatre and Drama Major: Acting Option

#### Sample Four-Year Plan

This four-year sample graduation plan is designed to guide your course selection throughout your academic career; it does not establish a contractual agreement. Use it along with your DARS report, the Guide, and the Course Search and Enroll app to create a four-year plan reflecting your placement scores, incoming credits, and individual interests. Consult with an academic advisor to develop a personalized plan of study and refer to the Guide for a complete list of requirements. You will likely revise your plan several times during your academic career here, based on your activities and changing academic interests.

Admission to the Acting Option is by audition only; auditions are announced at the midpoint of each semester. Students must have taken THEATRE 140 Voice 1: Effective Communication, THEATRE 150 Acting I: Introduction to Acting, THEATRE 367 Script Analysis, and be enrolled in or have successfully completed THEATRE 250 Fundamentals of Acting before auditioning for the option. Students who qualify for the Acting Option are expected to audition for University Theatre productions and play as cast.
