

ASTRONOMY– PHYSICS, BA

WISCONSIN EXPERIENCE

WISCONSIN EXPERIENCE THE ASTRONOMY CLUB

The Astronomy Club is a student organization for people interested in astronomy and related fields.

What does the Astronomy Club do?

The Astronomy Club organizes events such as seminars, tours, trips, and socials for its members. In addition to social events, they organize various events including a research symposium, REU and internship informational sessions, trips to observatories and labs, and even can help you start out doing some of your own astronomy research.

Why should you join the Astronomy Club?

By joining the Astronomy Club, you'll be meeting people who are just as enthusiastic as you are about the universe! Astronomy Club is a great way to find a community of people who can help you navigate through your time here at UW–Madison, whether you major in Astronomy–Physics or not.

To Join

Email the club officers at astronomyclubofficers@gmail.com
