

CHICANA/O AND LATINA/O STUDIES, B.S.

The program in Chican@ and Latin@ Studies (CLS) offers a systematic and interdisciplinary analysis of Mexican- and Latin-American-origin people, cultures, and collectivities within the United States. The CLS major and certificate are designed to provide students with a broad knowledge base and the intellectual tools to understand the unity and diversity of those people and cultures, both historically and in the contemporary period, as they explore the central questions and topics that have emerged in this interdisciplinary field. The CLS curriculum enables students to engage with the history, experience, arts, cultural production, and social lives of communities of Latin American descent in the United States, developing their capacities for civic and community engagement as well as research, writing, and analytical skills. CLS graduates are equipped to include and engage with diverse perspectives as they pursue careers in such fields as education, social service, communications, publishing, business, journalism, agriculture, engineering, the arts, construction, and the health professions.
