ADVISING AND CAREERS

ADVISING AND CAREERS

The L&S Honors Program has a team of dedicated advisors who offer individualized support and guidance to Honors students through their graduation. Advisors help individual students as they navigate a large, complex university, explore diverse education and co-curricular experiences, and develop and pursue long term goals. Advising occurs through a variety of formats including small group workshops, individual appointments, drop-in hours and email. Additional information is available on the Honors Program website (<http://honors.ls.wisc.edu/>).

The L&S Honors Program encourages our students to begin working on their career exploration and preparation soon after arriving on campus. We partner with the L&S SuccessWorks office to help students leverage the academic skills learned in your major(s) and liberal arts degree, explore and try out different career paths, participate in internships, prepare for the job search and/or graduate school applications, and network with professionals in the field (alumni and employers).
