NOTES

Up to 3 credits awarded for approved examinations (e.g. AP or IB) or a transfer course may count toward elective coursework. The 12-credit residence requirement is meant to encourage students to engage with UW-Madison faculty and advisors and to choose their elective coursework intentionally. Ideally, these courses will complement their major or be related to other intellectual or career interests.

CERTIFICATE COMPLETION REQUIREMENT

This undergraduate certificate must be completed concurrently with the student's undergraduate degree. Students cannot delay degree completion to complete the certificate.
