

# INTERNATIONAL STUDIES: CULTURE IN AN AGE OF GLOBALIZATION

## REQUIREMENTS

In this option, majors investigate cross-cultural interactions at different levels: local, national, and transnational. Students engage in such issues as cosmopolitanism; international and global flows of images, ideas, and people; questions of identity; changing assumptions of what it means to be indigenous and foreign; globalization and technology; and the impact of globalization on cultures.

In addition to the Common Requirements of the International Studies major, complete these requirements specific to the Culture in the Age of Globalization Option:
