# INTERNATIONAL STUDIES: GLOBAL SECURITY

## **REQUIREMENTS**

## **GLOBAL SECURITY OPTION**

In this option, majors explore conditions that challenge the ability of people and societies to survive. Students consider the causes of and solutions to political crises and violent conflicts in interstate, transnational, and domestic settings. Using historical and regional approaches, students develop a better understanding of the dilemmas the state and the global community face when confronted by threats to human rights, peace, and stability.

In addition to the Common Requirements of the International Studies major, complete these requirements specific to the Global Security Option:
