## FOUR-YEAR PLAN

### SAMPLE FOUR-YEAR PLAN

This Sample Four-Year Plan is a tool to assist students and their advisor(s). Students should use it—along with their DARS report, the Degree Planner, and Course Search & Enroll tools—to make their own four-year plan based on their placement scores, credit for transferred courses and approved examinations, and individual interests. As students become involved in athletics, honors, research, student organizations, study abroad, volunteer experiences, and/or work, they might adjust the order of their courses to accommodate these experiences. Students will likely revise their own four-year plan several times during college.

<sup>1</sup> Linguistics majors will have varying needs for L&S Breadth courses outside the major, depending on which Linguistics major electives they choose. Many Linguistics major electives are Humanities courses, but some are Social Science or Natural Sciences. Consult with your advisor to determine your individual needs.

<sup>2</sup> Linguistics majors are required to complete the 4th unit or higher of a foreign language, whether they are doing the BA or the BS degree.
