

MUSIC, BS

The Mead Witter School of Music offers the Music major for students earning a Bachelor of Arts or Bachelor of Science degree and want to study music in addition to another major. This program has the fewest credit requirements of all the Music programs. Students who have completed this major have gone on to pursue careers in music as well as taking advantage of the skills music taught them to pursue an array of other career paths.

This major offers several options for students including Performance, Composition, or an Individualized Music Curriculum. Students focusing on Jazz Studies can also pursue the Performance option.

FACILITIES

Mead Witter School of Music - Facilities (<https://music.wisc.edu/facilities/>)

CONCERTS & EVENTS

We offer concerts and events (<https://music.wisc.edu/concerts-events/>) throughout the year that are open to everyone.
