

# MUSIC: MUSIC STUDIES

## FOUR-YEAR PLAN

### FOUR-YEAR PLAN

This Four-Year Plan is only one way a student may complete an L&S degree with this major. Many factors can affect student degree planning, including placement scores, credit for transferred courses, credits earned by examination, and individual scholarly interests. In addition, many students have commitments (e.g., athletics, honors, research, student organizations, study abroad, work and volunteer experiences) that necessitate they adjust their plans accordingly. Informed students engage in their own unique Wisconsin Experience by consulting their academic advisors, Guide, DARS, and Course Search & Enroll for assistance making and adjusting their plan.

#### First Year

Fall	Credits Spring	Credits
Elementary/Intermediate Performance Study	2 Elementary/Intermediate Performance Study	2
Musical Organizations/ Accompanying	1 Musical Organization/ Accompanying	1
MUSIC 121 & MUSIC 171	4 MUSIC 122 & MUSIC 172	4
