

STATISTICS, CERTIFICATE

ADVISING AND CAREERS

Students who are interested in statistics academic advising should check out the advising information on our website (<https://stat.wisc.edu/statistics-certificate/>) or send an email to statcert@stat.wisc.edu.

Please note that students will need at least Calculus 2 to finish the Statistics certificate requirements.

L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
